Happy time on five star service

23 Jan 2019

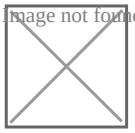

Going with Margaret Cruises was my highlight trip of our journey in Vietnam. We are a group of 3 people: my wife, my little son and me. The first impression is that Margaret is so big with 4 floors. It has such a beautiful spacious sundeck. Well rooms we book is Triple room but upgraded to Triple with Jaccuzzi. So amazing!!! ? From the start, the cruise team are very friendly and always helpful with us. About food, OMG, I love food on this cruises. I love spring rolls very much. Also I was taught to make it in cooking class after tour in cave. This activity was very interesting! The thing I loved most was that my little son had a surprise birthday party. We did not tell them, but maybe they knew it based on our passports. It so so incredible. My son loved it so much and really come back to Margaret next time. I absolutely recommend Margret to our friends! Thank you so much Margaret Team!

My special birthday gift from my friends

12 Jan 2019

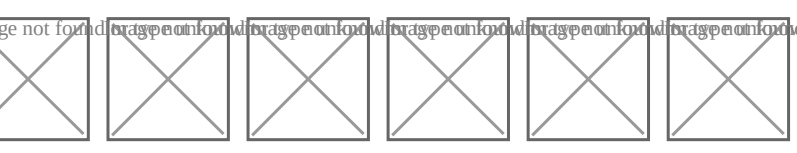

A trip to Halong bay was a present our friends gave me in my birthday, but it was more than just a present. We are a group of four, travelled to Vietnam last week and Halong bay was our first destination to explore. We chose Margaret cruise since we were recommended by our parents who were here before us, and they were right! We were welcomed by lovely staffs of the cruise. We can see the professional in everything they do, especially in how they try to make us happy. In the evening while we were having dinner, the staffs came close and surprise me with a birthday cake and sang ?happy birthday? song for me. I didnt know what to say. At first I thought it was all my friends? idea but it was not, they were also shocked. I guess they know my birthday when checking me in. It was a big surprise for me. Every other thing such as activities, food, accommodations,.. were in perfect order. I have nothing to complain about. Thank you Margaret cruise for letting me have an unforgettable birthday with my besties. I will highly recommend this cruise with my friends when i go back home

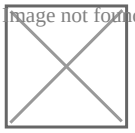

Best time with my friends

10 Jan 2019

I and 3 of my friends spent our Christmas on Margaret cruise and we will never regret that we booked it. The guy from the cruise met us at the hotel to make sure we are ready. Then he escorted us to the limousine bus waiting outside. It was a very comfortable bus controlled by a carefully driver. It only takes 2,5 hours to Halong bay because the bus go through the new highway Our first impression when we saw the cruise is its size and decoration. Big cruise decorated with modern classic style. Our cabins are on 2nd floor. We booked family connecting room. It is such a nice room with big window so we can see Halong bay anytime. Staffs in the cruise are very friendly and well-trained. They always serve us with a big smile and always go out of their way to make sure we enjoyed our stay. We did enjoy every activity like kayaking,

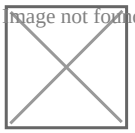

cooking class, taichi class, cave visiting. All of them are perfect
Especially in the evening, we joined the christmas party thrown by Margaret cruise. It was a lot of fun and we even received presents from the manager.
