Unforgettable trip!! After lunch and swimming in the sea, we moved to Bau Trang village in the suburb of Phan Rang. I was so excited with the

pottery making here. Our guide told us about history of this village, and I know this is a old traditional pottery village with hundred years of making pottery. I had a chance to make a vase for myself, it was not perfect but really such an unforgettable experience.

Absolutely fantastic trip!

Absolutely fantastic trip! We had an exciting day in Phan Rang with many activities. I really appreciated the operation and arrange of the tour, so reasonable. We had experience all travel forms within a day from swimming, visiting temples, exploring the traditional village. I was so impressed with pottery making of Bau Trang village, really respect the tact of villagers here.

I loved both tourist sites so much.

Nha Trang was beautiful, Phan Rang was no less interesting. I loved both tourist sites so much. For me, this was one of the favorite trip in Vietnam this time. I had a wonderful time in beach before spending time to explore the local culture there. Guide told me that Cham culture used to be a glorious culture in the past, now it is destroyed a lot, just retained some relics here. I feel so pity for this culture.

Highly recommend this tour to everyone!!!

Highly recommend this tour to everyone!!! I had a full day in Nha Trang and Phan Rang. We were picked up at the hotel in Nha Trang and quickly moved to Phan Rang. The view along the road was so peaceful and gorgeous. We went through the beautiful coastal roads with a side is mountain and other side is sea, so gorgeous. The sea in Phan Rang

was so beautiful, waves were soft and water was so crystal clear.

Very interesting

Arduous but exciting journey. We were forced to change the schedule because the weather was very bad, the rain was very heavy and the wind was strong. Therefore, we couldn't fully visit places like schedule. We went to Bau Truc Pottery Village and played there instead of moving to other places, where we learned to make pottery and listen to interesting stories from people. Very interesting, at the end of the tour, we get some money back.
