### Snorkelling

16 Aug 2017

My wife and I loved our snorkelling trip. We visited two islands, the first of which 'Finger nail island' was not great as there was some litter in the sea. 'Turtle island' was much nicer although I'm not sure turtles have ever been there. The trip on the boat was very good and the boat is great for relaxing. Lunch on board was nice.

### My first time to Phu Quoc

25 Sep 2012

Explored Phu Quoc in 4 days gave me many feelings and experiences. Visiting the pearl farm and enjoying the world most beautiful natural creation under the ocean is the most impressive in my trip. Here we watched the process of taking out the pearl that we have never seen this before. This trip I took with Phu Quoc Explorer. Their

services and tours are very good. Cheap and best.
