Impressive trip

I was so impressed with the flower and vegetable farms in Dalat. I would highly recommended this tour to everyone, because I think it was so useful, especially for those who go with their children.

Useful tour and experience!!!

Useful tour and experience!!! I was so impressed with the tour operation, very punctual and thoughtful services. I visited so many beautiful places in the city, met the kind farmers and had the funny talks with them. They told me that the vegetables and fruits here was planted and cared very carefully in the high tech, very secured for health.

Awesome Dalat

25 Mar 2019

I couldn't believe in my own eyes what we saw in Dalat. Besides visiting the attractions in the city, we also went to visit the farms at the suburb, very interesting. I visited a strawberry farm and firsthand picked up the fresh strawberry, very sweet and delicious!

Beautiful

09 Feb 2019

Dalat killed my heart already. I definitely come back to Dalat one day and it will be nice days with sun and wind. I was in Dalat in rainy days, so it was a bit boring. In the second day the weather was better, and we took advantages of visiting some sites in the schedule, but the weather again changed badly in the last day. But we really respect the promise of the agency, he paid back me what we didn't use in the schedule.

Fresh vegetable farms

18 Jan 2019

Back to Singapore a month, I wrote this to express my happiness about Vietnam trip, especially 3 days in Dalat. It was the greatest 3 days in year for me. Like living in the fairy land with full of flowers and green trees. I was so addicted with the fresh vegetable farms in Dalat, so modern and high quality.
