Beautiful

We took a river cruise a couple of times while in this region. It is very interesting to see how the locals live and thrive along this river. Great

beauty is seen along the shore.

**Once you have an experience!**

08 Nov 2017

I visited on tour participation because it is quite difficult to go by person. Two rows of handrail boats in highlights work hard regardless of local age and sex. Is it about 2 km? It seems there are some people who deserve chips and others who do not, but I think that it would be better to pass even feelings alone. In addition, there are snakes of big snakes and tasting of fruits and honey, but the recommended one is royal jelly available here. Although it is delicious to eat, it seems that it is very good for beauty, and the guests were pleased. Because you can use Japanese yen, we recommend purchasing by all means.

**Mekong delta cruise on a traditional boat**

20 Feb 2017

This was a very nice experience. We have boated to few islands, tasted traditional food. Listened to traditional songs. And had a workshop of producing coconut oil and making coconut candies in the traditional way. Was quite short but a very nice trip.
