Fantastic Tour

My wife and I enjoyed our tour with our guide very much. This was not too far of a drive. The Landcape is so beautiful and the trip offers a little bit of everything with cycling, walking, shopping, a boat ride. In this tour we had chance to view the most beautiful cave in Halong bay, a floating village for bamboo boat riding, an island for relaxing/swimming and a lagoon for kayaking. At the end of this tour, we had the evening street food tours on foot with many delicious dishes. unforgettable memory

A peaceful, beautiful location in North Vietnam We enjoyed several nights relaxing in this resort at the end of a long narrow road. Hotel lovely, location stunning to relax and enjoy the landscape. The food in the restaurant was a little hit and miss in terms of matching the menu expectation and being so remote. Staff were extremly courteous, friendly and helpful especially when we had minor problems. A great plus is the absence of karaoke and other noisy activities that spoil so many Vietnamese resorts - it really was a "hideaway" from the noise. Overall a very relaxing time and enjoyable experience and we would return.

Brilliant day exploring Mai Chau! Started with Bicycle ride with your tour guide, see farmers working in fields, locals weaving scarves and visit surrounding peaceful villages. so much more. The lunch was tasty and the bike trip through the rice fields was stunning! Only a short bike ride so don't worry about the bike quality, some people walked it as it wasn't far so don't worry about that. Cruise trip in Ha Long bay was great. Transfers to and from the hotel were very smooth. Brilliant day!
