### Outstanding pagodas

04 Oct 2018

My first organised trip exceeded all expectations. The country and the people are beautiful, welcoming and very friendly. I loved the scenery, so lush and green and interspersed with pagodas everywhere. There are so many interesting aspects to appreciate and learn about Myanmar and this trip sets you on the right track. Great leader, wonderful, varied group of fellow travellers and a very well organised trip.

### What a great p/p tour

01 Jul 2018

Even though it was low season and the monsoon, we had many sites to ourselves. We didn't have to face hordes of other tourists while enjoying the major sites such as Bagan with its multitude of temples, which was amazing and Inle Lake was myanmar's Venice. Many more tourists should visit Myanmar because boycotts in the end hurt mostly ordinary men and women , families and children who rely on tourist trade. See the astounding sites of Myanmar before it becomes overrun with tourists.

### Great Tour of Myanmar

26 Feb 2018

Our group consisted of 5 friends. We didn't know anyone in Myanmar and were recommended this Tour Company by my in-laws. We were very happy with their prompt email response to our requests, the flexibility in arranging the fine details of our Tour and their organization. The Guides were superb, the Tours informative and flexible (we even golfed 9 holes), the Hotels very very nice and the flights and other transportation, on time and comfortable.

**Best Time**

26 Feb 2018

Everything was so well organized. Each hotel we stayed in was perfect. Our trip to Myanmar was memorable.

**Myanmar tour!**

22 Feb 2018

We loved it! The guides were fabulous, the tour was very enjoyable and learning the history of Myanmar and the cities we visited was great. Every city was different, which made for a very interesting tour. We were well taken care of from the moment we landed in Yangon. Getting checked into all our flights and being picked up at the airports was perfect.
