Best decision we made

14 Dec 2018

In conclusion, I cannot stress enough how much better your trip will be with a guide taking you instead of wandering around yourself. Without the knowledge about the history and myths and religion, the temples are just big chunks of stones in ruin with little meaning. With a private tour guide and AC car, you can save a lot of time and truly enjoy your sightseeing time. At the end of the tour, Mr Asean the operator called and asked if everything was ok. I thought that was a nice personal touch, and I would not hesitate to recommend this company

**Very helpful and funny guide**

If you come to visit Angkor Wat, please keep this company in your list. My driver, His name is Dora. He is so professional and funny guy at the same time. He took us to the place on the right time. We almost can visit each place with less touris. He also told us about history along the way to each place. I will definitely use his services again when I come to visit Siem Reap again.

**Professional & friendly**

If you are going to visit the temple complex then spend a little extra on a professional guide. The guide organised sunset viewing spot (limited numbers permitted at the temple), sunrise viewing spot, and a large number of excellent locations for photographs. Our knowledgeable and patient guide enhanced the whole experience. Air conditioned car, cold towels, and endless cold bottles of water. Highly recommended.

**My first trip to Cambodia**

14 Nov 2018

This is my first time travelling to Cambodia and Asean Angkor Guide provided me an excellent tour. They have rich knowledge about Angkor Wat and culture of Cambodia. During the journey they shared a lot of the history and lifestyle of Cambodia. We also shared things happened in my hometown. I really love the experience of sharing different lifestyles. They also gave us water and cold towels in the journey. They give us many recommendations on massages and restaurants. I had an unforgettable journey with Asean Angkor Guide and they made me love Cambodia
