We stayed in Fuguo Island for two nights. The first day rented a boat. I rented more than I did in the Philippines. Four people enjoyed the whole space very comfortable, on board. We enjoyed the comfortable weather and sea breeze. At the beginning of the sea~ Guides can recommend fresh seafood at the recommended location. Guides can also communicate in English. Although the waves are larger. The snorkeling landscape is not so beautiful. But we still enjoy the first day of the holiday. The next day. We rented a car. And the guide took us to visit Phu Quoc Island. The Fisherman's Village is great. You can spend more time to stay. The lunch is also delicious. Hope to have the opportunity to visit Fuguo Island with this company.

Nice beach and couple-friendly envioronment!

Phu Quoc is one of my best loved beaches in Vietnam, along with the one in Nha Trang, so I have been here two times, each time for a stay of less than a week but absolutely enough for an exploration with my

wife. My profile picture was taken there, as you can see. Very beautiful beach filled with white sands. If the weather is good, you will enjoy an unparalle seascape. There are not so much tourists so everyone can totally have a relaxing stay. The hotel we stayed is quite near the beach, which enable us to take a lovely walk in the evening after dinner is finished. Just can't love this place more! You won't regret coming here for a pleasant vacation!
